## 雇い入れ時健診 Web 予約システム 英語

## New Employee Health Check-up WEB Reservation System

\*The instructions below are possible on a PC/smart phone/etc. connected to the university's network (KUINS) or wireless network (KUINS-Air).

 Access the following URL, click the "New Employee Health Check WEB Reservation" button to access Employee Health Check-up Online Appointment System.

https://u.kyoto-u.jp/yatoiire

2. Access the above button and the login screen pictured below will appear.

Click the [初回ユーザ登録] "First-time User Registration" button.

3. At the top of the screen, enter your 8-digit "Employee Number", "E-mail Address" (for appointment reminder notifications), and a "password" (at least 8 characters, containing both letters and numbers) of your choice. Click [登録] "Register".

\*Note: Entries must be written in half-width characters. *Half-width is the default size for the English keyboard.* 

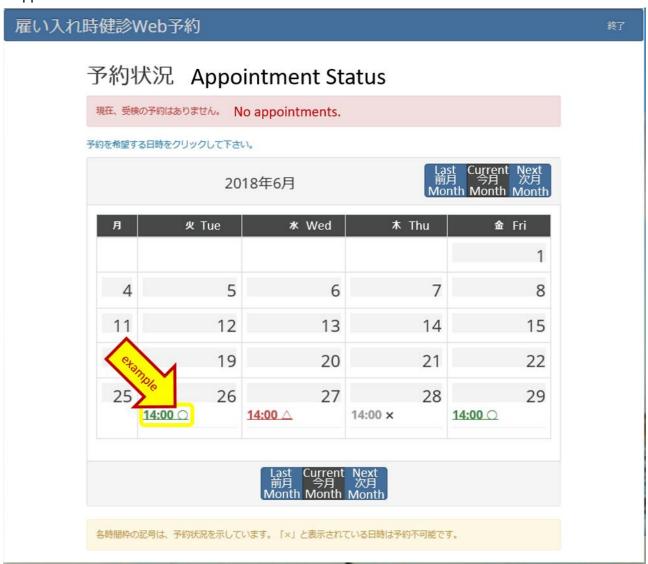

4. Click [+新規予約] "New Appointment"

- 4.1 For Pre-Existing Appointments:
  - For appointments that have already been registered, you can edit your appointment by clicking [予約変更] "Edit Appointment".
  - To delete an appointment, click [予約取消] "Delete Appointment".

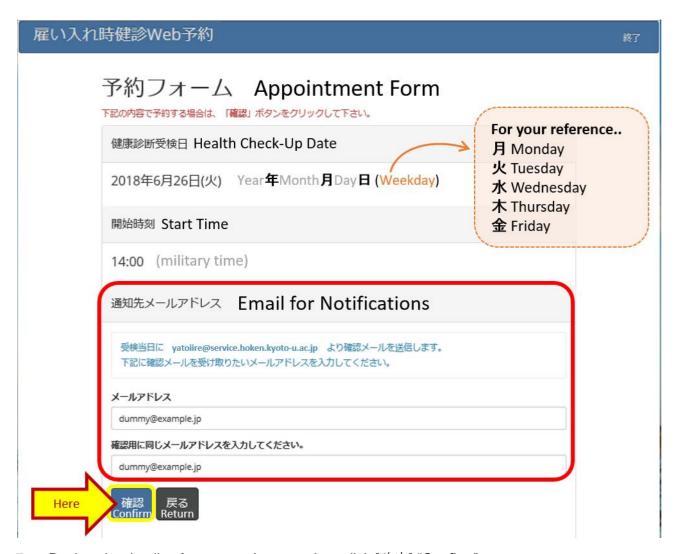

5. If you click [新規予約] "New Appointment" or [予約変更] "Edit Appointment" then [予約状况] "Appointment Status" will appear. Select the day and time you would like to have your appointment.

- 6. When you click a time-slot, the selected date and time will appear on the appointment registration screen (see picture below). Click the [確認] "Confirm" button.
  - \*The confirmation e-mail will be sent from "yatoiire@service.hoken.kyoto-u.ac.jp".

For those using a cell phone company's e-mail address who would like to receive this e-mail, please make sure to change the settings to allow emails from this address.

e.g.) For June 26, 2018 at 14:00pm

7. Review the details of your appointment, then click [確定] "Confirm".

8. After completing the above instructions, the appointment completion screen will appear. Please click [終了] "Close".

9. After creating an appointment, if you click the [予約取消] "Delete Appointment" button, the deletion confirmation dialogue screen will appear. If you would like to delete it, click [OK]. If you do not wish to delete it, click [キャンセル] "Cancel".

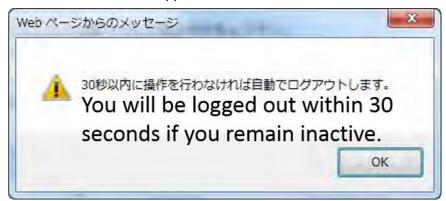

10. If you delete the appointment, a screen like the one pictured below will appear. Click [終了] "Close".

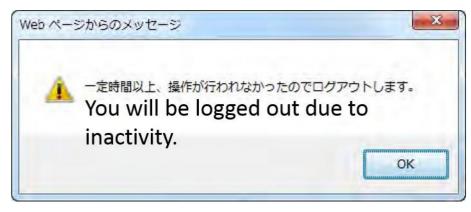

The Employee Online Appointment System procedure is now complete.

11. When the appointment system is accessed from a computer that is used by many people and has been inactive for a certain amount of time, in order to protect your privacy, a pop-up alert like the one below will appear.

Afterwards, if there was still no activity, a pop-up alert like the one pictured below will appear and automatically log you out.

If you were unintentionally logged out, you will have to log in again starting from step 2 to complete your task.

## 12. Supported Web Browsers:

This appointment system has been confirmed to work on the following browsers:

- Internet Explorer 9
- Internet Explorer 10
- Internet Explorer 11
- Google Chrome \*
- Firefox \*
- Safari \*
- iOs Device Browsers \*
- Android Device Browsers \*

Versions of Internet Explorer earlier than version 8 are not supported.

For security reasons, if you are using an older version of this browser, please install/update to the newest version before accessing the appointment system.

<sup>\*</sup> Each has been confirmed on the latest stable version available in April 2015.
